

## Open Dots™ Alliance Membership Agreement

As of this \_\_\_ day of \_\_\_\_\_, 20\_\_\_, \_\_\_\_\_ (company) and its agents ("Company"), is hereby a member of the *Open Dots™* Alliance ("Member"), so long as Company continues to adhere to the terms of this *Open Dots™* Alliance Membership Agreement ("Agreement"). Company understands that adherence to this Agreement is for the sole purpose of assuring that all products employing the *Open Dots™* standard work seamlessly with one another in a supportive and vibrant marketplace.

**Compatible Products:** Products or subassemblies that operably transmit or receive power, or enable such operability, substantially as per the official *Open Dots™* wireless power standard.

**Open Dots™ Compatible Products:** Compatible Products officially certified to be compliant by the Open Dots Alliance, and bearing the official *Open Dots™* Compatibility Logo.

**Deleterious Conductive Products:** Products that interact with any *Open Dots™* compatible products so as to transmit or receive power in such a way as to present a safety hazard, or to cause damage to one or both products.

**Counterfeit Conductive Products:** Deleterious Conductive Products or Compatible Products, in either case, not bearing the official Open Dots Compatibility Logo.

As such:

- 1) Company agrees it shall not distribute nor redistribute Counterfeit Conductive Products.
- 2) Company agrees it shall not buy, make, or sell Counterfeit Conductive Products. Company further agrees it shall not sell its *Open Dots™* Compatible Products through distributors not certified as *Open Dots™* Alliance members.
- 3) Company, in good will, shall support the adoption and proliferation of *Open Dots™* Compatible Products, and shall not engage in activities, beyond free market competition, that have the opposite effect.
- 4) Company grants permission for its logo to appear on the *Open Dots™* Alliance partner web page and on promotional materials for the purpose of publically indicating Company is a member of the *Open Dots™* Alliance so long as Company remains a member of the *Open Dots™* Alliance.

Company may terminate this Agreement in whole at any time by written request. This Agreement in whole shall further terminate immediately upon material breach of any of the terms set forth herein. Termination implies loss of Membership. Company understands that it may not display the *Open Dots™* Compatibility Logo on any product or by other promotional means unless the *Open Dots™* Alliance officially recognizes this agreement is in force at that time.
